HUP, TWO, THREE . . . Members of the U. S. Army 47th AAA Brigade from Fort MacArthur march to the cadence of their drill sergeant during Armed Forces NDay parade Saturday. Under Secretary of the Army Hugh Milton II as grand marshal led local city officials. Military vehicles and weapons were featured in the first of annual Torrance event. (Herald Photo)

First YMCA Camp Roll Completed; Still Room in Several Others

The Torrance YMCA announced today that the first of twelve YMCA Summer Camps has completed its enrollment. Twenty-five older boys have signed up for the Y's Tri-Canyon Caravan to Bryce, Zion, and Grand Canyon National Parks this summer.

Douglas Cannon, director of the youth tour, reported that a top crew of Counselors have also been recruited for the adventurous trip. The boys will travel more than 2000 miles as they sightsee, fish, hike, swim, and explore together.

They will set up a base camp at Jackass Meadow, and then hike out to fish, boat on Florence Lake, swim in icy streams and backpack over Bear Dome at 9980 feet elevation to Lake Thomas A. Edison. During their stay, they will have a chance to visit a section of the John Muir Trail, Vermillion Cliffs, and popular Huntington and Shaver Lakes.

ROOM FOR FIVE more boys between 11 and 14 years of age remains on the Florence Lake High Sierra Base Camp from July 12 to 18. These boys will travel on remote power company roads into the heart of the Sierra.

THE TORRANCE YMCA's longest tour of the summer is a trip to Grand Teton National Park from June 22 to July 3. This caravan is open to all boys 13 and older, and will visit Salt Lake City, Bear Lake, Snake River, Jackson Hole, Old Faithful Geyser in Yellowstone, Idaho Falls, Craters of the Moon, and portions of the Eastern Sierra on the return trip.

While staying in the Tetons, the boys will have a chance to learn mountain climbing at a Ranger school, along with the other Rocky Mountain pleasures.

THE TRIP for older girls sponsored by the YMCA is now half-filled. Girls 12 and older will travel up the coast to visit the redwoods, Carmel, Monterey, and many other scenic spots from July 16 to 23.

The local youth agency reports also that there is still space for boys or girls from 9 to 12 in the two younger camp periods at Round Meadow and Mozumdar. Both camps will operate during the dates of Aug. 6 to 13 this summer. Nature Lore, Archery, Crafts, swimming lessons, hiking, horseback riding and campfire highlights these two mountain camps.

THE YMCA's Teenage director, Paul Slyh, reported that youngsters have sold 600 cases of YMCA peanuts thus far in a project to help earn their own way to camp.

Further information about these trips and other pack trips, family camp, boat excursions, or week end outings, may be obtained by calling the YMCA at FA 8-1272.

Senator to Honor Local Student Trio

U.S. Senator Thomas H. Kuchel of California has invited young men interested in seeking an appointment to any of three of the Nation's service academies to apply promptly for the chance to take scholastic examinations upon which selections are based.

The Senior California Senator will have in 1961 one opening at Annapolis, one at the Air Force Academy and the privilege of nominating several individuals wanting to attend the Merchant Marine Academy. He has no vacancy to fill at West Point in the class to enter in the summer of 1961.

ALL YOUTHS wishing consideration by Kuchel must take competitive tests given by the U.S. Civil Service Commission, which this year will be held on Monday, July 11. The examinations regularly are given in numerous California cities as well as many others throughout the country.

Interested young men should write the Senator immediately applying for permission to take the examinations and supplying biographical data. The deadline on application is Wednesday, June 1.

Instead of the former practice of naming a principal and alternates for each vacancy Kuchel now designates a fixed number of candidates with highest scores on the tests. These then compete among themselves and final selection is made by authorities of the three academies. Following tabulation of test results, the California Senator will name six aspirants to Annapolis, 11 to the Air Force and 10 to the Merchant Marine.
